

Year 6 Bradley Woods 2025

Saturday 17th – Sunday 18th May 2025

General Information

During our stay we will be outside for most of the time, therefore it is essential that children bring warm clothing; lots of layers are better than just one. Please remember to name every item. New clothes are not necessary; old are best as they may get quite dirty!

REMEMBER TO NAME EVERYTHING!

Mobile phones, ipods, ipads, tablets, cameras (including disposable ones) etc. are **not** allowed. Children should arrive in warm, comfortable clothing and sensible shoes. This does not include jeans. Combat trousers or jogging bottoms would be suitable.

KEY REMINDERS

Bring a packed lunch (for Saturday) from home. Medical form to be returned to school by 12 May. Any medication needs to be brought on the day in a sealed named bag.
